**TAHKI STACY CHARLES – WINNER OF A  
CROCHET LIBERATION FRONT “FLAMIE” AWARD**

We are extremely proud and grateful to have been selected as a winner in the inaugural “Flamie” awards ceremony recognizing excellence in Crochet, which was held this past Monday evening.

We congratulate all our fellow nominees and winners, especially all of the designers who do so much to promote this needleart.

We'd especially like to mention our friends Doris Chan and Kristin Omdahl, who created the designs in our recently-published Superior Crochet booklet, and Margaret Hubert, recipient of the Lifetime Achievement in Crochet award.
